DEFENDER™

Maturity	Medium
Head Type	Bearded
Height	Medium Short

- Defender™ with top rated disease resistance
- Excellent against stripe & leaf rust
- Very high top end yield potential
- Good planted early & late
- Excellent milling & baking quality

AM Cartwright is a medium maturity, high yielding variety for the Central Plains. As a DEFENDER™, it has one of the best leaf disease packages in the industry. Our data shows that in a non-fungicide program, Cartwright is one of the best you can plant. It holds a clean flag leaf all season with great scores against stripe rust and leaf rust. It also responds and stands well in high management programs, showcasing plot winning 100 bu/ac finishes! Cartwright carries Hessian fly resistance, moderate tolerance to acid soils, strong fall vigor and season-long attractiveness from elite plant health and big heads at harvest. A must plant!
