

Soft Red Winter • MEDIUM

# AgriMAXX 525

high performance wheat

DEFENDER™

Maturity	Medium
Head Type	Bearded
Height	Medium

- New & improved 454
- 454 type yielder with superior disease resistance
- Responds to high management & fertile soils
- Defender™ with excellent agronomics
- Looks to handle wetter soils like 454 does
- Maximizes photosynthesis all season long with erect canopy growth

AgriMAXX 525 is a new and improved version of 454...upgrade your horsepower to 525! The biggest improvement is noticed in disease resistance. When comparing 525 to 454, 525 has better BYDV, septoria leaf blotch, leaf rust, stripe rust and head scab resistance...a complete and consistent package. 525 packs a yield punch as well, winning state yield contests and welcoming growers into our 150 Bushel Club. 525 thrives in high management programs and fertile soils. We've seen this variety handle wet field conditions as well.
